WHO WE ARE

Tulungagung Stone Mosaics is a company based in Indonesia that specialized in manufacturing mosaics made from high quality natural stone.

We have been in this industry for years. We have been exporting our products to some countries such as US, Canada, Australia, Mexico, etc.

We have many colors selection to decorate and bring natural flow & design to your home: both indoor & outdoor, and also residential & commercial applications.

Stylish texture and unique design element of Pebble Mosaic can be used for bathrooms, showers, kitchens backsplashes, countertops, used for wall cladding, fireplace surrounds, carport, pools & spas floor tile, and decks and patios flooring tiles.

We are committed to delivering high quality product to fulfill our customer experience and satisfaction. We will be really happy to be one of your partners.

WHY US

We understand that we are not only stone manufacturer in the world but we do believe that there are always reasons why choose us

**Experienced in
the Industry**

**High Quality
Products**

**Wide variety
models and colours**
